Revitalization Grant Program: Success

The residential and downtown revitalization grant program funds are fully allocated for this fiscal year. The City received and tentatively approved 17 residential and 7 downtown revitalization matching grant applications.

The tentative approvals allocate all of the funds budgeted in this year's revitalization program. Project applicants have been notified of their status. Several applications were received after all funds were allocated. The additional applications have been placed in a "pending" status and will be notified if any of the approved projects drop out or are cancelled by the property owner.

The revitalization matching funds program was a pilot program for this fiscal year. Any feedback, positive or negative, on the project is greatly appreciated to help determine if the project is continued in future year budget appropriations. Email comments to local Platte City elected officials (Mayor Offutt and Aldermen) or to City staff. Email addresses are available on City web site, www.plattecity.org, written comments may be mailed or dropped off at City Hall, 400 Main Street, Platte City 64079.

March and April Utility Billing Period Adjustment:

The billing periods on March and April City utility bills will be adjusted to account for earlier than usual end of February meter reading schedules. The February reading (for March bills) will be read several days earlier than normal, resulting in a 27-28 day billing period. The March reading (for April bills) will be read at its normal time. The catch up for the earlier February reading will result in a April billing period that is 32-33 days long. Level Pay customers will not see any change in their City utility bill amounts.

Offices for Platte City Election:
Mayor, Aldermen Ward I, II & III
and Municipal Judge

Ballot measure asking whether or not to discontinue collecting local sales tax on out of state purchases of motor vehicles, motorcycles, boats, outboard motors and trailers.

Election Day: Tuesday, April 5th

Poll location: 1st Baptist Church, 214 Ferrel Street

MARK YOUR CALENDARS FOR: SPRING CLEANUP APRIL 19TH-22ND, 2016

It's time to find all those items you want to throw out. This free event is open to all Platte City residents. Platte City crews will pick up almost any item other than hazardous material to include furniture, mattresses, four tires, regular trash, white goods (appliances) and water based paint (lid off and dried). Additional information on this event will be available in later newsletter. Call 858-4815 for additional information .

Building Season is Approaching;

Don't forget to check on Permits:
Contact City Building Inspector,
Alan Gustin, 816.858.3617 or
agustin@plattecity.org before

beginning any construction, building or home repair/remodel project. Although many minor projects do not require a permit or an inspection, it pays to check first. Building permits are an inexpensive way to ensure home repairs will be good quality and will result in any problems when it comes time to sell your property. Additional information available at www.plattecity.org

Side walk Problem?

GET IT FIXED FOR 1/2 PRICE

The City's Sidewalk Repair Assistance Program can

Save property owners up to 50% of the cost of fixing the sidewalk in front of your property.

Contact Public Works for options to repair or replace Cracked, broken or sunken sidewalks 816.858.4815
